

PlayBall

Solve Batter's Box Maintenance

FEATURES

Durable

Cost-Effective

Permanent

Allows Cleats

Bevelled edge

Every Ball Field owner knows that the Batter's Box can be the biggest problem on the field at any time during the season based on intensity of use, weather and the level of play.

The PlayBall mat is 3' x 6' x 2" and weighing in at 150 pounds becomes a permanent solution the meets both the needs of Players and Grounds Keepers.

Installation with 2" of cover and the 45° bevel makes the PlayBall Mat ideal for player comfort, sliding, and cleats.

Manufactured in Canada using 85% natural and recycled materials in multiple layers and bound with a polyurethane binder and manufacturing process with a 30 year history.
